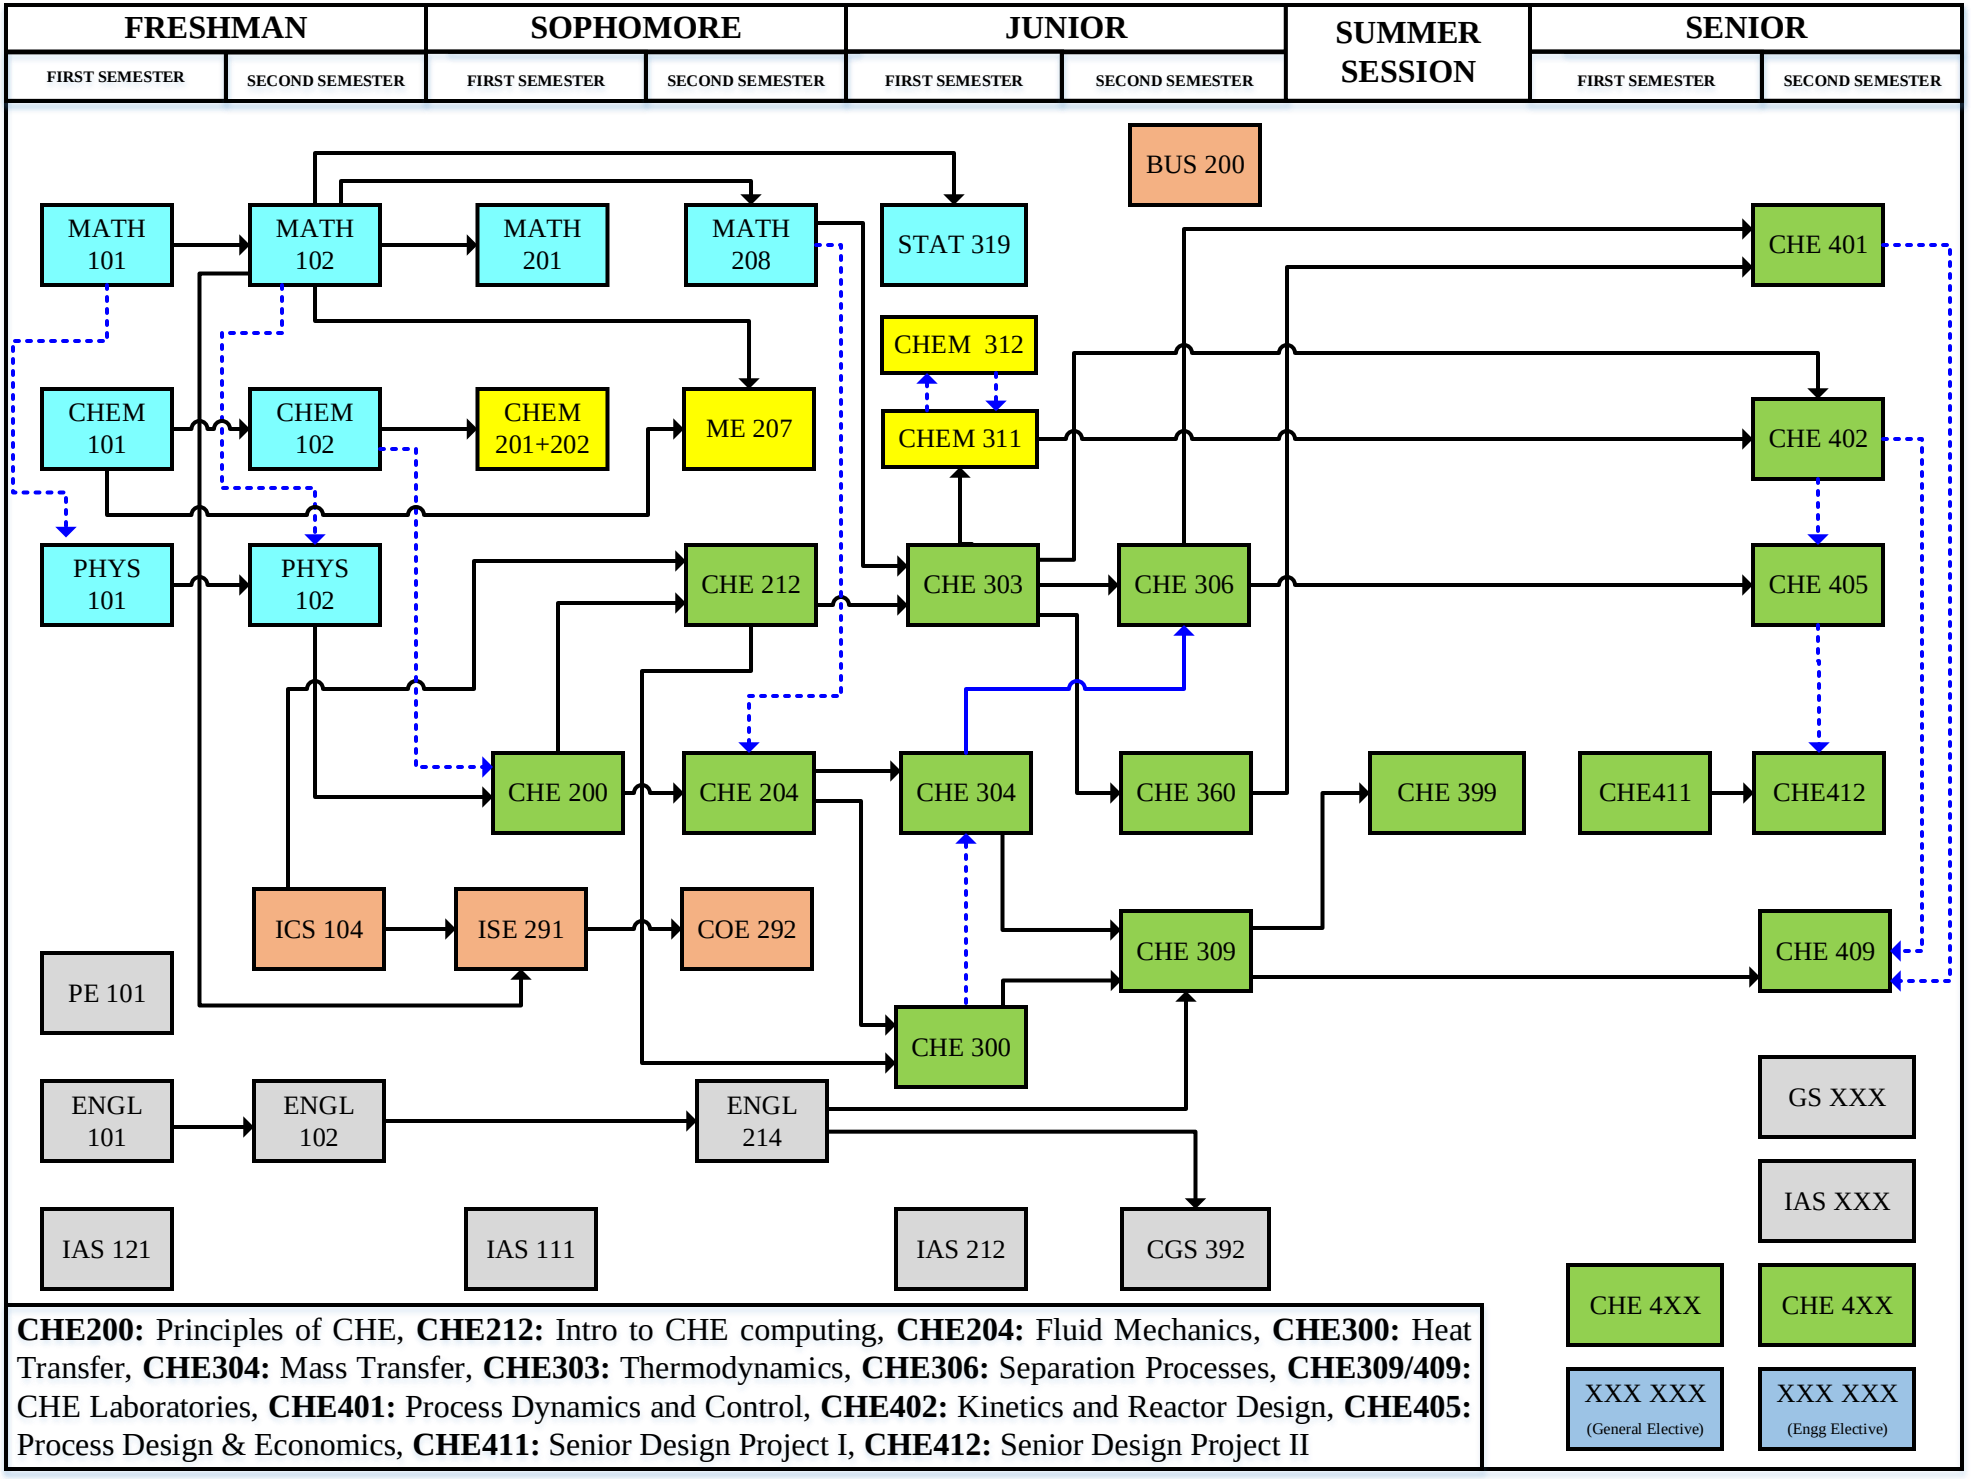
Chemical Engineering Curriculum Flowchart



CHE200: Principles of CHE, **CHE212:** Intro to CHE computing, **CHE204:** Fluid Mechanics, **CHE300:** Heat Transfer, **CHE304:** Mass Transfer, **CHE303:** Thermodynamics, **CHE306:** Separation Processes, **CHE309/409:** CHE Laboratories, **CHE401:** Process Dynamics and Control, **CHE402:** Kinetics and Reactor Design, **CHE405:** Process Design & Economics, **CHE411:** Senior Design Project I, **CHE412:** Senior Design Project II
